

SHORTCUT KEY

❖ VS Code

- Duplicate Cursor for change same word simultaneously

Example :

```
i am shital and i want to play cricket for my
enjoyment and i always want to play badminton too so any
time you are free and if you want to play you can just
call me if I am free then I will come to play with you
I Can Learn It
```

Here in above if you want change 'you' to 'Tom and Jerry'

→ Select the word 'you'

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedminton too so any time you are free and want to play you can
just call me if I am free then I will come to play with you
I Can Learn It
```

→ Then click ctrl+d again you want to repeat until your change all word not cover

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedminton too so any time you are free and want to play you can
just call me if I am free then I will come to play with you
I Can Learn It
```

→ Then again ctrl+d

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedmintan too so any time you are free anf want to play you can
just call me if I am free then I will come to play with you
I Can Learn It
```

→ Now you can simultaneously change the words 'you' to 'Tom and jerry'

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedmintan too so any time To are free anf want to play To can just
call me if I am free then I will come to play with To
I Can Learn It
```

→ You can type once for all of the word 'you' to 'Tom and Jerry'

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedmintan too so any time Tom and Jerry are free anf want to play
Tom and Jerry can just call me if I am free then I will come to play with
Tom and Jerry
I Can Learn It
```

→ If you done with chages then you click anywhere then you cursor is back to normal

```
Hey Tom and Jerry
i am shital and i want to play cricket for my enjoyment and i always want
to play bedmintan too so any time Tom and Jerry are free anf want to play
Tom and Jerry can just call me if I am free then I will come to play with
Tom and Jerry
I Can Learn It
```
